**Notice of Workshop to Solicit Comments on Proposed Regulation**

The Nevada Department of Agriculture, 405 South 21<sup>st</sup> Street, Sparks, Nevada, 89431, is proposing the Amendment of regulations pertaining to chapter NAC 586 of Nevada Administrative Code. A workshop has been set for Monday, December 16, 2013 at 1pm at:

Nevada Department of Agriculture  
405 South 21<sup>st</sup> Street  
Sparks, Nevada, 89431

The purpose of the workshop is to solicit comments from interested persons on the following general topics that may be addressed in the proposed regulations:

**NAC 586.011 Annual Registration fee: Amount; deposit and use of portion of fee**

A previously approved regulation to increase this fee increased the fee but neglected to increase the set aside. This proposed regulation change would correct that oversight and increase the allowed set aside from \$15 per registration to \$40 per registration. This is a technical correction, NOT an additional fee increase.

**Section 1.** NAC 586.011 is hereby amended to read as follows:

586.011 1. Each registrant must pay an annual registration fee of \$125 for each pesticide registered.

2. The Director will deposit, in a separate account, ~~[\$15]~~ \$40 of each annual registration fee collected pursuant to subsection 1. The money in the account will be used to:

- (a) Monitor and dispose of pesticides;
- (b) Protect groundwater and surface water from contamination by pesticides; and
- (c) Eradicate and control noxious weeds.

A copy of all materials relating to the proposal may be obtained at the workshop or by contacting:

Public comment will be taken on the intent to adopt a regulation. The purpose is to solicit public comments from interested persons on the following proposed regulation: NAC 586.011; *a regulation relating to pesticides; increasing the amount of the annual fee to register a pesticide set aside for specific uses; and providing other matters properly relating thereto.*

A previously approved regulation to increase this fee increased the fee but neglected to increase the set aside. This proposed regulation change would correct that oversight and increase the allowed set aside from \$15 per registration to \$40 per registration. This is a technical correction, NOT an additional fee increase.

**Section 1.** NAC 586.011 is hereby amended to read as follows:

586.011 1. Each registrant must pay an annual registration fee of \$125 for each pesticide registered.

2. The Director will deposit, in a separate account, ~~[\$15]~~ \$40 of each annual registration fee collected pursuant to subsection 1. The money in the account will be used to:

- (c) Eradicate and control noxious weeds.
